

Triathlon Over Cancer Receives Grant From USA Triathlon Foundation

11 May 2022

HOBE SOUND, FL – Triathlon Over Cancer is pleased to announce that it has received a grant from the USA Triathlon Foundation. The USA Triathlon Foundation grants are directed to support multisport athletes, programs and initiatives across 20 states in 2022. The Foundation’s independent grant committee vetted more than 140 grant proposals and selected 36 opportunities that embodied the Foundation’s three pillars: encouraging youth participation, inspiring adaptive athletes and igniting Olympic and Paralympic dreams. The Foundation plans to make additional 2022 grants to current and aspiring elite triathletes and elite paratriathletes.

Triathlon Over Cancer’s Founder, Dirk M. Van Doren, commented, “We are honored to have the support of the USA Triathlon Foundation. We are pleased that the Foundation shares our vision for increasing participation in the sport of triathlon.”

In the Foundation’s press release Stephen Ban, Chair of the USA Triathlon Foundation Board of Trustees, stated, “This year’s grant awardees represent everything that makes our sport and community so special. The work being done by these organizations and individuals is impacting communities across the country in innumerable ways. They are all examples of how triathlon can change people’s lives.” Additionally, Dr. Gabe Cagwin, President and Chief Advancement Officer of the USA Triathlon Foundation stated, “Our Foundation exists to support our multisport community and the incredible opportunities it affords so many current and aspiring athletes. The generosity, innovation and dedication of the individuals and organizations that submitted grant proposals is both inspiring and motivating, and we are thankful to play a small role in the great things they are sure to do this year and beyond.”
